CAREER IMPACT

300 → 900 LO Hires | 200% Growth • \$1.9B Production Impact • \$1.086B Opportunity Pipeline
#1 Recruiter | 10 Consecutive Months • 47 Recruiters Led • 172 Accenture Hires | First Two Quarters of 2015

PROFESSIONAL EXPERIENCE

Strategic Growth Partner / Executive Mortgage Recruiter | American Pacific Mortgage

Mar 2025 – Present

- Hand-selected to lead strategic Loan Officer recruiting for the **top 5% of branches** at American Pacific Mortgage, a national lender with **350+ branches across 49 states**, partnering with high-performing Retail Branch Managers to drive branch growth, market expansion, and production scalability.
- **Ranked #1 for 10 consecutive months** among 16 recruiters by converting executive outreach into high-value opportunity meetings.
- Used **AI-powered sourcing** and consultative prospecting to conduct **209 Loan Officer screens in nine months, convert 45.9% into 94 opportunity meetings, and hold 79 meetings at an 84.2% rate.**
- Built a recruiting pipeline representing **\$1,086,023,655 in potential annual loan production** through relationship-driven, consultative outreach that aligned top-producing Loan Officers with high-performing branch leaders and growth-focused platforms, emphasizing cultural alignment, team fit, sustainable revenue growth, and long-term market expansion.

Founder / Vice President, Talent Acquisition | Premier Talent Solution

Jul 2023 – Feb 2025

- Shaped executive hiring priorities and workforce plans that aligned recruiting with growth goals across multiple client organizations.
- Built recruiting teams and scalable search processes that improved leadership pipeline quality and delivery of revenue-generating talent.

Senior Talent Acquisition Leader | Inogen

Jul 2022 – Apr 2023

- Recruited to Inogen by **PennyMac's former senior-most Talent Acquisition executive** based on demonstrated leadership and high-impact performance; selected to help lead Talent Acquisition during a period of significant organizational growth.

- Led recruiting across **six critical divisions — R&D, Finance, Engineering, Medical, HR, and IT — while managing 78 open requisitions** and ensuring recruiting practices aligned with federal requirements governing the medical-device industry.
- Strengthened recruiting execution across a high-growth period by leading **3 recruiters and 2 sourcers**, accelerating onboarding, coaching, and day-to-day problem-solving under TA leadership.

Vice President, Talent Acquisition | PennyMac

May 2020 – May 2022

- Built and led a specialized team of **7 Loan Officer Recruiters**, implementing targeted sourcing strategies, disciplined pipeline management, and a **12-hires-per-month performance standard** that reduced **time-to-fill from 36–42 days to 28 days** and supported **200% year-over-year hiring growth**.
- **Transformed PennyMac's Loan Officer recruiting model** from a minimally sourced operation averaging **300 annual LO hires** into a proactive, headhunter-driven recruiting organization focused on identifying and attracting top-producing mortgage talent across key growth markets.
- Scaled Loan Officer hiring from **300 to 900 hires within the first year — a 200% increase** — creating the recruiting capacity and talent pipeline required to support aggressive national growth.
- Recruiting expansion contributed to **\$1.9 billion in additional annual loan production** during the first year, directly connecting Talent Acquisition strategy and execution to revenue-producing business growth.

Director of Talent Acquisition | JDA TSG – Microsoft Premier Partner | National Recruiting Leader

Mar 2018 – Dec 2019

- Led nationwide Talent Acquisition for JDA TSG, a **Microsoft Premier Partner supporting Microsoft's Premier Field Engineering (PFE) program**, while directing specialized technology recruiting for additional enterprise clients, including the **NFL and Intuit**.
- Selected by executive leadership to lead a **critical proof-of-concept hire for Intuit before expansion of the client relationship**; managed the engagement end-to-end — from intake and stakeholder alignment through sourcing, interviewing, selection, and accelerated onboarding — delivering the required hire with exceptional speed and execution.
- Partnered with executive leadership and client stakeholders to turn business requirements into recruiting plans, metrics, and sourcing initiatives that improved delivery for hard-to-fill and diverse technology talent.
- Built and developed high-performing recruiting teams across **U.S. and offshore operations**, standardizing full-cycle practices, referral programs, and scalable pipelines to support high-volume, time-sensitive hiring.

Senior Recruiter, Talent Acquisition | Academic Partnerships

Jun 2016 – Feb 2017

- **Shifted the company from agency-dependent hiring to an internal recruiting model**, reducing outside reliance while supporting national expansion.
- Expanded hiring capability across **Engineering, IT, Enrollment, Academic Services, Sales, Marketing, Finance, HR, Healthcare, and Executive Leadership** by building targeted sourcing strategies and scalable talent pipelines.
- Improved recruiting performance and hiring alignment by partnering with leaders on workforce planning, job design, candidate evaluation, and pipeline management.

Senior Technical Recruiter | Accenture

Dec 2014 – Feb 2016

- Led high-volume recruiting for **Accenture's Outsourcing Growth Platform**, delivering full-time and contract technology talent across **U.S. and international markets** for Business Process, Infrastructure, and Application Outsourcing clients.
- Managed one of the largest recruiting workloads within **Infrastructure Services**, leading full life cycle recruiting for highly specialized technology talent including Solution Architects, Delivery Account Managers, Network & Telecom

Engineers, Systems & Database Administrators, Project/Program Managers, and Tier 2/3 Technical Support professionals.

- Consistently exceeded hiring targets, delivering **172 hires during the first two quarters of 2015 — including 26 hires in a single month** — and was recognized as a **Top Recruiter** and featured in Accenture's **Recruiting Spotlight: Honoring Our Recruiters** for exceptional recruiting performance.

Regional Recruiting Manager | Metro Systems, Inc.

Mar 2006 – Oct 2014

- Directed a **47-person recruiting organization**, raising team accountability and aligning recruiting execution with company-wide hiring goals and business growth.
- Improved hiring readiness for critical roles by translating workforce forecasts and business priorities into targeted recruiting programs and sourcing strategies.
- Built recruiting infrastructure spanning **university hiring, community partnerships, vendors, search firms, job fairs, and onboarding**, strengthening both immediate hiring capacity and long-term talent pipelines.
- Influenced workforce and HR decisions as a trusted advisor on recruiting, employee development, benefits, employee relations, and compliance across EEO and ADA standards.

Associate Command Career Counselor / Petty Officer Second Class | United States Navy

- Reinforced leadership development, talent retention, and mission readiness in a high-accountability military environment.
- Improved **post-deployment retention and reenlistment by 23%** across a **350-Sailor maintenance department** following the Diego Garcia/Bahrain deployment, compared with the previous Misawa deployment cycle, through targeted career development, workforce planning, and advancement counseling.
